

## HOW TO FIND US

From the A4 motorway, take the exit for the A31 Valdastico and continue until the exit for Piovene Rocchette.

After leaving the tollbooth, turn right and go on until the roundabout. Turn right again and continue to the traffic lights.

At the traffic lights, turn right again and keep following the main road. At the T-junction turn right once more:

3F is about 200 metres ahead.
